

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

FCC, please make sure that the public is not restricted from receiving as a diverse range of viewpoints from all media as possible. The cable ownership cap should not be weakened. Steve Walsrip Carmel, CA
